

## Early Prayer February 2, 2010 Spirit and Truth

**John sings:** *You are great. We worship you.*

**Anne:** We greet everyone on the web cast with us this morning. We speak into the British Isles where some of us were with Chuck last week. They are pressing out kingdom and we are pulling them forward. We are reaching up into heaven to pull down treasures that will move us forward. When you commune with the Lord, His truth in you becomes a living sword and nothing can stand before it. We have come this morning for that living sword that will cause us to be victorious in every situation. We are reaching our hand up into heaven and asking You to put the life of Your truth in our hand so that every gate must open before us. We will rule in every gate that we go in today because we have Your truth in our hand. We are fearless seekers after Your truth this morning. We ask for Your truth to break bondages, open doors and let the captives go free.

**John sings:** *We set the captives free! The lame shall walk. The blind shall see. Signs and wonders shall follow me. I'm walking in the truth.*

**Anne:** Isaiah 59 says, "Behold, the Lord's hand is not shortened that it cannot save nor His ear heavy that He cannot hear." Verse 14 says, "Justice is turned back and righteousness is far off, for truth has fallen in the street." That means that our work is not dictated by truth. We are not walking forward in truth. "Truth has fallen in the street" means that is more prevalent and common for people to operate outside the truth. It is easier to bend or reshape the truth into something for your own purposes and desires. We have done that politically and in all kinds of ways. I'm not talking about "those other people." I'm talking about this people. We have shifted from the moorings of the truth in many situations to try to get our point across instead of saying, "I hear what you are saying and there is truth in it." We have to shift to truth to take dominion because God will not work through a lie. Lord, as we lift our hand up, pull us up to a new place of victory that comes from hearing the whole counsel of God and moving in the truth. We want to rule in the city gates and in the gates of Your courts by agreeing in the truth and by living, moving and having our being in the truth. When you have found the truth, you have found the Spirit of God. He cannot move in a lie. In the way we have moved in elections and across the earth, we have had blinders on. Instead of being those who are speakers and livers and walkers in the truth, we have allowed the truth to be skewed in us and our message is, thereby, skewed. We hear what the Lord is saying to us today and we are moving into a new paradigm of truth. Only truth will rule in the gates. Only truth will advance the cause of the Lord across the earth. When our enemy comes face to face with truth that comes up and over his lies, he will be defeated. Lord, release revelation to us so that we can move in and build with and flow in that which will shift our times back to Your times.

**John:** What I have seen time and time again is that truth is hidden. The enemy cannot turn the truth and so he hides it. He blinds our eyes and puts in situations and says, "Here is the truth," when it is not the truth. God has set the truth before us but the devil has hidden it from us. We have to know that it is there by the Spirit because our eyes cannot see it. I mean even losing your keys when the truth is that they are sitting right in front of you on the counter. The devil will hide them to confuse you. There are bigger truths that are hidden in plain sight. You have to command the fog to leave, command the haze to leave and tear the veil from your eyes. You have to war in it. You cannot accept what you see with your eyes because truth is hidden.

**Anita** brings out a veil and puts it over a woman.

**Anne:** We try to walk, but we are veiled with our doctrines or belief systems. We don't want people to say things to us because we can't stand to hear the truth. I had a friend who used to say, "Do you think I can stand to hear that truth when I am in this mess?" It is only the truth that will remove the veil and set the captives free. (Anne pulls the veil off of the woman) We need to listen for the truth and hear the truth. We need to hear what someone may have to say to us to get us out of a bad place, to remove the shroud that we have been wearing. Lord, we ask today for that truth to penetrate us in places where we have not allowed it in the past. I am just like everybody else. I have had favorite doctrines and ideas that came out of my dysfunctional childhood that I thought were a protection to me. I thought that the harder you worked, the further you got, which does not allow for a Shabbat. It will keep you dysfunctional. You will be a Christian and you will be saved, but you will work yourself to death. It will not allow you to move in the direction of God. He has a plan for our lives and He will set a rest before you every seven days somewhere and somehow. I have been reading Chuck and Pam's book (The Rewards of Simplicity). It has changed me. Truth has penetrated me that I did not have in the past. Lord, we are asking You today, we are sticking our hands up, some of us veiled. We ask You to remove it so that we do not carry it into the next season, into the future. Give me Your truth that will set me free first.

**John sings:** *Open my eyes Lord that I might see.*

**Anne:** Linda shared something with me that happened to her this morning. She saw something. It was the truth, but she had to approach it in a new way to capture that truth and to move into it.

**Linda:** When I opened E-Sword this morning, the cursor was on one word, but the definition was not for that word. I did not know how that could even happen. I looked at the Strong's number and it was in the 1,000's. I knew that the number of the word the cursor was on was way past that. I took note of the number and of the word, then the screen flashed and it disappeared. The number of the word was 1101. The word was "balal" and it had two opposite meanings. The basic meaning was "mixture". It was used specifically of mixing fine flour with oil for one of the offerings to bring to the Lord. It had to be fine flour and a specific kind of oil. That was a mixture you wanted. It was a mixture that God said was suitable to bring as an offering. The unleavened wafers and unleavened bread were made with the oil and the fine flour. The other definition was "babel". It was a mixture that brings confusion and destruction.

In every situation, if the enemy has a chance, he will take one meaning and assign it to something else. He will say, "This word means this" then he will take you down a road that is not the way God wants you to go. He will redefine and turn it into something that is not God's definition at all. It is not what is going on or what God means. We need to stick out hands up and get that sword of the Spirit that will divide between soul and spirit; that will divide between the place where the enemy can speak into us and the place where Holy Spirit has full and free access to us. By the Spirit of the Lord we will determine truth. When the enemy came to the Lord in the wilderness, he tried to take the Word of the Lord and make a wrong application. He tried to take God's truth and give it a wrong definition. Lord, we are asking that You bring us into a realm of the Spirit where we have sharper discernment. Broaden our vision so that where the enemy has put things in too narrow a boundary, You will reframe our frame of reference to give us a bigger picture. We will know it may mean what the enemy is saying in some places, but not here. We will come into a greater dimension of truth. We will know the word by the Spirit. The enemy will not be able to take Your word, twist it and put a wrong definition to it. We will overcome. We will not be duped, deceived or misled. You said to look again. We are going to listen to the Holy Spirit and look again until we know that Spirit and truth have come together and we have the right word for the right time for overcoming.

**Anne:** The Lord is looking across the earth for an intercessor. Unless we are moving with the truth and pulling down the truth and breaking the veil, we will not become free. He is the way and the truth. When we have found the truth in a situation, we have found the Lord and He is our victory. Until we find the truth, we do not have victory. Look at the failures where we have not had victory. We are asking You for a higher place of truth in order to move in and take ground that the enemy cannot have access to because we have a higher truth that comes out of You. We are looking for gates that will open to the truth. This morning when the Lord was speaking to me I realized that suddenly something happened to me. I can remember leaving work when I first got saved and it did not matter what preacher was on the radio, I needed the truth he was speaking because I had no truth in me. I had survived to get where I was, but I had not arrived there by a systematic application of the truth by the Spirit of God. I had survived by my own wits and it is a lower place to live. This is a season where we are letting go of our own wits. We are grabbing hold of the truth of God. Suddenly, I was able to hear the truth in what other people were saying. It was sometimes a lower level of truth, but it was truth that I needed. The Lord builds line upon line and precept upon precept to take us from one place of truth to the next. Lord, wherever that lie is that is within our hearts that we have kept to protect ourselves, it is no protection. We see how we are not protected at all by any lie. Suddenly I began to let all the truth come in because I knew it was the best thing I had ever heard. The Lord ruled in my circumstances in my life. Lord, we want You to have rule over us. We are calling for the Living Sword that sets free. Release Your truth to us this morning.

**John sings:** *A mighty fortress is our God. The Spirit is rising in me. The Lion of Judah is rising in me.*

**Will:** As Anne was talking I saw the left tire of a car. I heard, "Traction, tread, steering." The Lord is saying that He wants to form truth in us in such a way that we will trample or tread on our enemies. We will have traction for momentum to go into the new. We will be able to steer to where we are supposed to go. I declare that You have equipped Your saints with Your sword. Loose Your sword within Your saints as You have reformed it within them. Empower us as Your army following You as our captain. Take us into the new past the veil of perceptions. We will move with the roar of the Lion of Judah.

**Anne:** Isaiah 59 goes on to say, "*Then the Lord saw it and it displeased Him that there was no justice. He saw that there was no man and marveled that there was no intercessor therefore His own arm brought salvation for Him and His own righteousness sustained Him. He put on righteousness as a breastplate and a helmet of salvation on His head. He put on the garments of vengeance for clothing and was clad with zeal as a cloak. According to their deeds, He will repay fury to His adversaries.*" If I believe or try to perpetuate a lie on someone else, I become the adversary of God. When the enemy or someone else comes and trumps your truth with a higher truth, you have been overcome by God. You have not been overcome by man. You have been overcome by God. You have to allow the Lord to continually wash you with the truth

until you begin to walk in a new way. In that way our discernment will be raised and we will be intercessors who intercede to release justice as the Lord does and to have mercy as the Lord does. We will move as the Lord does, not out of our own compassion, not of our own wits, but out of the Spirit of God. Lord, we desire truth in our inward parts to move in a new way and to walk in a new way with You in this.

**Raymond:** What I'm hearing is this, "Submit yourself under the truth, the hand of God." A lot of times we try to resist the devil in our own strength. You cannot resist the devil in your own strength. I declare that we are submitting ourselves under the truth. We are repositioning ourselves under the almighty hand of God. Then we will resist the devil and then he will flee from us. Father, forgive us as we are transitioning into a new season, that we are doing it from an old place. We will not be in that old place. We will shift out of a lie. As we shift into the truth, the veil will come off. The sword will be in our hand and with one fell word we will slay the enemy for the truth has come to us in this hour. This is not the truth from a week ago or the truth from yesterday. We will rise up in this hour, in this day and in this season to hear Your voice and what You are saying to Your church today. Father, I thank You that we are taking Your sword, we are taking Your truth and we are ascending to the place that You have for us. We will slay the enemy and we will be overcomers in this season.

**Anne:** There is a sound that the truth makes and it is the last sound. When that sound of truth is released, the situation falls. The enemy is scattered. Let's hear that sound that the truth makes.

Instruments play.

**John:** Enter into that sound and let it come forth from you. Begin to speak in tongues and let your spirit move. It says that the Lord looked and was displeased that there was no man to stand in the gap. Lord, we do not want that to happen this time. We want You to look down and say, "Look at all those people that are willing to stand in the gap." When He saw that there was no one to stand in the gap, He put on righteousness like a breastplate. Lord, this morning we put on righteousness like a breastplate. The Lord put on the helmet of salvation, so we put on the helmet of salvation. He put on garments of vengeance for His clothing and wrapped Himself with zeal as a mantle. Just like in Psalm 149, it is an honor of the saints to move in your vengeance, to pronounce judgments on kings and principalities and powers and command them to come down. We stir our zeal. We put on our helmet of salvation and our breastplate of righteousness. We stir our zeal to move, to intercede, to stand in the gap, to tear down principalities in those places even if they are the ones in our own minds.

**Janice:** (Reads from Psalm 85:9-11) *"Surely His salvation is nigh them that hear Him that glory may dwell in our land. Mercy and truth are met together. Righteousness and peace have kissed each other. Truth shall spring out of the earth and righteousness shall look down from heaven."* Lord, we declare this morning that in those secret chambers of our heart where beliefs rest that are opposite to Your truth, that Your mercy and truth meet together in those places. Truth shall spring out of this personal earth. Your truth will rise up out of this earth as surely as You came up out of the tomb. We receive Your righteousness in order for Your truth to meet and intersect in us so that mercy and peace can kiss inside us and we can demonstrate Who You are in this earth, the Spirit of Truth to divide and pierce asunder.

**Linus** comes out wearing a cloak with the breastplate on it.

**Anne:** This is a picture of the Lord putting a rod of authority in our back. It is the sword of God's truth inside of us.

**LeAnn:** I was seeing the Bible and a veil was being lifted off of the corner. The way Jesus wielded the word, He was the Living Word, but the word reveals the Father. The word moves you forward. Those that were teachers of the Law at that time were not revealing the true word of God because they were bringing people into captivity to their teaching. They were bringing them into subjection to their structure and their religion. Now the Lord is saying, "No, My word will cause you to advance. My word will cause you to move forward. My word will reveal the heart of the Father. My word will reveal a word of deliverance. My word will reveal something that will pierce your heart and thrust you into a new place." Lord, we say that the occultic spirit over the word is being lifted off. The word of God will demonstrate the Father's heart. The word of God will cause advancement. If there is no advancement it is because there is no light in the word that is coming forth.

**Anne:** The Lord is showing us how to move in His truth and how to take land. If you are not taking any land, I suspect it is because there is not much truth coming down. There are things that He would like to tell us and we would like to have ears to hear it. We want to move in a level of discernment that we have never moved in before. We have learned that Easter is not the same as Passover. For hundreds and hundreds of years the church believed the lie that Easter was the same as Passover. Now we have discerned, we have understood, the Lord has released a clear truth of what happened and how we got off track and how we have to move in this season. I expect that there is a greater power to be had by the blood that covers us, a greater understanding and a greater revelation than we've ever known before because we are giving

up the lie of Easter. We are moving into the truth of passing over. We are going to “Passover” into time and reset our clocks at Passover. When we align with that truth, there will be land that we can take as a result of it. Lord, we thank You this morning for the teachers, for the apostles, for the prophets that have heralded the truth at pain of reproach and being spoken to by the body of Christ as though they knew nothing. That lie is a lie and the ones who speak it are liars. We are moving into a new level of truth, into a land that has not been possessed by the body of Christ before. We are going to move with all authority into that place that You have called us to walk in this season. We are going to be a living altar.

**Shara:** We will not fear reproach. We will not fear rejection. We will not fear persecution. As they killed the prophets of old, so they would seek to do today. Fear will not stop us for truth has a forward movement. We set ourselves in motion with the forward movement of truth. We will agree with Your word that we are blessed because the truth dwells within us.

Instruments play.

**LeAnn sings:** *There are shadows coming off Your word. There are veils being lifted off. There's a light that's shining and all those who want to see will see. Your truth reveals the Father. Your truth will move us forward. If we are standing still, it's because we are not receiving the next level of truth. There is a forward momentum. I see light coming from the corners of Your word. You said, "My teachers won't be moved into a corner any longer." I see the Spirit of God moving on the word.*

**Linda:** There is a scripture in Jeremiah 2:8 that says, “*Those who handled the Law did not know Me.*” I was thinking back about the fine flour that was mixed with the oil. You can get some really fine flour. To get fine flour you have to take it through the process of threshing it, winnowing it, crushing it, sift it, crush it again and sift it again. We have gotten very good at doing that with the word of God. We can get fine flour, but then all you've got is a handful of flour that will stick in your mouth or choke you if you try to swallow it. If we do not mix it with the Spirit of the living God, if we don't have the anointing of God, if we don't mix Spirit and Truth, then all we will come up with is teaching the word, but not knowing God. Lord, we confess that we have operated in the strength of our minds to dissect, sift and put it together in different ways, but it has stayed dry. It has stayed unappetizing. It has choked people. It has not provided the strength and nourishment of living bread that will reveal the Father. We have not had the Bread of the Presence, the Bread of the Face. We have not had the bread that reveals Jesus. We have not had the bread that we can say has come down out of heaven for us. Lord, we have got to come not just to a place where we have refined Your word, but we ask for that new moving and brooding of Your Spirit to reveal truth, not just to reveal words or logical systems. LeAnn said that she saw the Spirit brooding over the word and she saw light coming from the corners of the word. We repent of trusting our minds, our reasoning, our intelligence, our logic, our ability to understand words. We must have that oil of the Spirit. We must have the breath of God. We must have the anointed word that moves us, that brings us life so that our spirit rises up and claps and rejoices and leaps and says, “That's the word! That's the truth!” Where we have served a handful of flour and said, “Here is your living bread.” That people would say, “I can't eat that anymore. If I don't have the breath of God, if I don't have the oil of the Spirit, I'm not going to eat this anymore.” For those who have taught the word but have not known You, forgive us.

**LeAnn:** In the music, I was hearing the tender heart of the Father revealed in His word. Jesus came doing good and healing all who were oppressed of the devil. The people had never seen this before. They did not understand the tender mercies of God.

**Robert:** I'd like to take what Linda said one step further. When she talked about the two meanings of “babel” the Lord spoke something. On the one hand babel represents the people of the earth. If you look at the nations of the earth they are all different and independent. They all have believed their own lie. If you put them together, it is just confusion. The other meaning of babel is the fine flour mixed with the oil. If you take the “babel” of the earth and remove the husk, the hull of the lie, then you grind them and mix them together with the oil of the Holy Spirit, then what was babel, what was confusion becomes an offering suitable for the Lord. That is what God wants to bring forth in the earth. He wants to break off the lie, mix us with His Spirit and produce a praise offering to Him.

**Anne:** Lord, from this day forward we are coming to Your word to look again. We are not going to take any old meaning from another time. We are going to ask You to open it from every corner. We ask You to brood over us like You brooded over the waters in the faces of the deep. This is a day when You do a new thing. We ask You to brood over us as You brooded over the waters. Create a new thing. Bring forth the things that You have for this season to bring us into a new place.

**LeAnn:** There is a tenderness in this sound (that the musicians are playing), especially the violin. I have been reading in Exodus about the people leaving Egypt. I always thought it was to worship in the wilderness and that is true. There was a

rabbi and his commentary says that they went to rest in the wilderness. Oh my! It struck me so deeply. They had probably not had a day off in a long time. I saw another side of God, not just the God Who wants to be worshipped, but the God Who wants to give His people a day of rest. As we are hearing the heart of the Father coming through the word, then all of the sudden you see a revelation of the face of God, the heart of God that is so much deeper and beneficent than I could imagine. Lord, let Your magnificent heart be expressed over Your people. Let them hear the sound of Your amazing, magnificent heart and the fullness of Your heart, the greatness and depth of Your heart revealed in Your word. You can feel His tenderness over Israel today.

**Shara sings:** *I said I would do a new thing. Did I not say, I make all things new? I am brooding, I am speaking, I am releasing light as I did at creation. Behold, can you perceive it? Behold, can you see it? I am doing a new thing.*

**Linda:** Linda Davis brought this bottle of wine to me and said that as we have been talking, this one fell over. This is the Pacific Rim wine. I want to prophesy into what Keith said on Sunday. The Lord is brooding over the waters of the Pacific. They are stirred up. They are roiling. They are boiling. Leviathan has been stirred up in that area because the Spirit of the Living God has come to say, "Bow to Me! These islands belong to Me! The earth is mine. These waters are mine. The islands are mine. I have come to lay claim to what belongs to Me." We declare the word of the Lord that said, "The waters are stirred up." We declare that there will be a new beginning. There will be a new move of the Spirit. There will be a new creation. Things will fall to the presence of God in the Pacific Rim. We declare to those intercessors who are preparing to go. Listen to this word. The Lord looked and He was amazed that there was nobody to stand. Take your stand! Get yourself equipped. Get ready. Move with the Spirit of God because the Lord is ready to cause the principalities in the Pacific Rim to fall before the truth of the word of God.

**Anne:** I'm seeing a word over that too. There was a darkness that came out of some of the Pacific coastlands. There was a darkness that began to move across the face of the deep in the islands. The Lord says, "This is a day when I am causing light to move across the coastlands of the Pacific Rim and the waters of the deep." I see a light moving and going across all of those islands down into New Zealand, everything between Hawaii and New Zealand. The Lord is beginning to move. His light is beginning to wave over them in a new way. The Lord says, "I will send the light. Arise and shine for your light has come. A new day is dawning in the Pacific. I am sending My carriers of light. I am sending my buckets of light. I am sending My sword of truth and I will rule in the gates of the islands. The enemy will no longer have rule and dominion over the islands. I am sending My light in this day. Arise, shine for your light has come."

**Linda:** What happened in those islands is that there was an early knowledge of God like Melchizedek. Later, another group came in that said, "That is not God. That is not what God is like. God is cruel. God is harsh. God demands sacrifice." Every horrid thing that you can imagine, they said, "That is what God is like." What I hear the Lord saying is, "I am about to pull the cover off of all of that." They are going to see what LeAnn described. They will see the face of God again. They are going to see the magnificence of a loving God. They are going to see their land flourish again. They are going to see oppression lifted off of them. Lord, we declare that Your Spirit is moving. One of the ladies from Hawaii had this insight. She said that the first move of the Spirit centered around the Mediterranean Sea. Then the center was around the Atlantic Ocean. Now it is moving to the Pacific. Lord, we declare that Your face has turned that way. Your eyes have turned that way. Your heart has turned that way. Where the enemy has put a death shroud over the feast for the Lord, You are removing that thing. From that mountain You will say, "Here is the feast. Here is the feast of the Lord. Here is what I have had for you all along." Once this lie gets pulled off of it, you can see. Lord, we lend our intercessory strength to the intercessors in that area. You have called them independently. You have stirred in their hearts that this is the time to begin to go and tear down strongholds and just as Gideon did, in their places to rebuild an altar to the Lord.

**Anne:** We also speak that over the British Isles and say that where you erred in a former season and pressed out empire instead of kingdom and built a kingdom of men instead of the kingdom of God, we say that there is a new slight, there is a new start available to you at this time in the British Isles to begin to rise up and begin to be corrected and to hear the truth in a new way and to move through the British Isles into all of those nations that they have been a part of and have been operating through. A new spirit and a new truth comes to the British Isles now.

**Raymond:** As a visual, two and a half years ago, Anne and I went to the Galapagos, the eastern gate of the Pacific Rim countries. We stood and addressed the spirit that said there was not a creation, the spirit of Darwinism. Last week when we were in England, the Lord positioned me. I did not even know where I was but we visited an abbey and the tour lady said, "There are some things buried here." She said, "There" and pointed between my feet, "is the grave of Charles Darwin." I began to dance on the lie that said God is not a God of creation. We declare from England to the Pacific Rim countries, You are releasing a new wave of Your Spirit. You are releasing truth over those nations. You are releasing truth over the empires. You are releasing truth over the waters. It causes that revelation to come forward and go over the waters.

**Randy:** Concerning the Pacific Rim, I got an email from a friend in Alaska yesterday and he specifically spoke to the Pacific Rim, prophesying to the Pacific Rim, calling forth the shaking of the plates and the movements of the rocks and the purposes of God into the midst of all of this. When you were calling forth the intercessors, I thought of him sitting up there. It is really dark and cold up there. He does not even have internet and has to email me from work. I felt what I believe is the isolation that is on some of these intercessors. They are in their places but they don't realize that the Lord sees them in their place. I speak to that spirit of isolation, that orphan spirit and spirit of abandonment on those intercessors who are in their places, who have been in their places and who by the strength and grace of God intend to stay in their places no matter the cost and will continue to call down the word of God into their atmosphere, into their region, into their place and send those decrees out in their own way into those places. The plans and purposes of God will be accomplished for the portion they have brought to the altar, for the grinding they have endured, for the oil they have received; we call forth a fresh pouring forth of oil into that fine flour wherever it may be found.

**Kathryn:** The first thing I heard from the Lord this morning was that He is releasing a new anointing. I have seen blood and oil come down from the throne and mix. Before Raymond came up, I saw the body of Christ under a plastic cloud. When you only have partial truth, you can only go so far, but when you have 100% truth, you rule over your enemies. The Lord says, "I am rising you up into a new position in a new way." Stand up and war with me!

**Anne:** We receive a new mantle of truth this morning.

**Gayla:** As everyone was coming forward and talking about the intercession and how we have to be seen in spirit, God said that He wants to give His people another blood transfusion of Himself, which is life.

**Anne:** Lord, thank You this morning that You are sending Your mantle of truth. You are sending a new spirit that is moving us in a new way. We are hearing You in a new way and You are moving us forward in a new way this morning. Thank You for the Father-heart of God that has been released this morning so that we can hear that new truth that You have for us. Thank You that whenever we come to You, You release more to us. There is never an end. You are without end and Your kingdom is without end. We praise You and bless You. We bless everyone that has been on the web with us this morning or that will be on the web with us this week as they pray through these same things. Thank You that we are moving through our week in a new and enlightened way. We will see the light that You release on our path as we move through our week in the name of Jesus.
